# Quality Policy

---

February 2021

## Table of Contents

1. Policy Statement	P. 3
2. Approach	P. 3

## 1. Policy Statement

- 1.1 Power Assets Holdings Limited (together with its subsidiaries, the “Group”) is dedicated to delivering reliable and quality services to our stakeholders.
- 1.2 The Group aims to excel in the energy business in key international markets and strive to integrate quality considerations into all aspects of our business activities. For joint ventures and associates, the Group will exercise its influence to promote their adoption of quality policies consistent with these approaches.

## 2. Approach

The Group is committed to:

- Anticipate stakeholders' needs and strive to meet or exceed their expectations;
- Make good use of cost-effective and advanced technologies;
- Nurture a quality culture, enhance team spirit and empower employees to act;
- Inspire all employees and associates to pursue excellence and continuous improvements in providing services for all stakeholders; and
- Enhance quality management systems and benchmark them with international standards and best practices.
